WE'VE BEEN MAKING HOLIDAYS WITH YOU SINCE 1964

Our family-style campsite is one of the oldest in the Var area and definitely the most tree-filled! We've been upgrading it since 1964 with an eye for detail, to guarantee our guests enjoy what we'd like to find on holiday too: a great choice of high-quality accommodation and spacious, impeccable plots surrounded by exceptional vegetation... What's more, our campsite is just a short hop from Porquerolles island and the Mediterranean's most beautiful beaches.

We truly offer something for everyone, including a 2000m² water park with heated pools, water slides and water games, plus a range of sporting and recreational amenities. You'll find entertainment here too, plus excellent sanitary facilities, a restaurant and mini-market... In short, everything you need for a fabulous camping break promising plenty of forever memories to take back home.

Les Jardins de La Pascalinette® is also committed to accessibility and environmental conservation. Our approach is different, unique and authentic. We pride in offering our guests a beautiful holiday venue with more space and more privacy, to ensure our campsite continues to stand out from the crowd after all these years.

SPACIOUS ACCOMMODATION

We offer a vast palette of accommodation from traditional to premium camping pitches with private sanitary facilities for tents, caravans or camper vans, spacious mobile homes complete with terraces and "novel" lodgings. What's more, our superb plots are far larger than those you'll find at other campsites.

SOMETHING FOR EVERYONE

Our campsite boasts a host of sporting and recreational facilities, including a city stadium, games room, playground, petanque courts, table tennis and fitness equipment. We also offer an exciting and varied entertainment programme in July and August.

RESPECTFUL & ACCESSIBLE

OUR COMMITMENT TO ACCESSIBILITY AND ENVIRONMENTAL FRIENDLINESS

We are the region's only campsite with a water park awarded the Tourism & Handicap label (physical, mental, auditory and visual handicaps) and offer specially-adapted accommodation for guests with challenges. Our water park - the only one of its kind in the region too - is also fully accessible.

We are proud holders of the "Green Key", "Quality Tourism", "Wine & Discovery" and "LPO Bird Refuge" labels. Our eco-friendly promise means we are committed to offering a safe haven for birds and animals, preserving our natural environment, providing electric vehicle charging stations and eco-friendly mosquito control terminals, recycling waste and saving water and energy.
